IT IS ORDERED that Campbell County Kentucky Water District ("Campbell County") shall file the original and 12 copies of the following information with the Commission, with a copy to all parties of record, not later than October 30, 1989. Each copy of the data requested should be placed in a bound volume with each item tabbed. When a number of sheets are required for an item, each sheet should be appropriately indexed, for example, Item 1(a), Sheet 2 of 6. Include with each response the name of the witness who will be responsible for responding to questions relating to the information provided. Careful attention should be given to copied material to ensure that it is legible. Where information requested herein has been provided along with the original application, in the format requested herein reference may be made to the specific location of said information responding to this information request. If the information cannot be provided

by this date, Campbell County should submit a motion for an extension of time stating the reason delay is necessary and include a date by which it will be furnished. Such motion will be considered by the Commission.

1. Question 4 of the Commission's September 25, 1989 Order requested a detailed explanation of the proposed adjustment to Transmission and Distribution Expense. If an increase in expenses is to be recognized for rate-making purposes, it must be known and measurable. Provide a detailed list of the transmission and distribution expenses that will increase as a result of the new construction. The list should include itemized expenses by category and amount.

2. What was the effective date of the 1989 salary increases?

3. On what basis does Campbell County determine the percentage of salary increase for individual employees?

4. In reference to Campbell County's Response to question 6 of the Commission's Order of September 25, 1989, describe in detail the type of work performed by the engineer with regard to meeting and rate study.

Done at Frankfort, Kentucky, this 23rd day of October, 1989.
